

Hedgerow Farms, Inc. Nursery Transplant Pricing

Shipping:

We can ship our transplants via UPS. We ship plugs without their tray and place them in a plastic lined box for safe shipping. Boxes need to be opened upon arrival so they don't over heat and they should be planted upon arriving. Please alert us of any issues as soon as you receive your shipment. We charge the UPS generated shipping costs as well as a \$20/box handling fee. Each box can fit 200 plugs.

Contract Grow:

If you would like to purchase more than the quantity listed or are interested in a species not listed, please call, email, or fax us. We would be happy to grow a custom order for you. We can do custom grows with our seed or with seed provided to us from your site. Please give us a 14 week minimum notice if you are interested in having plugs custom grown. We require a 60% deposit for all contract grows.

Transplant Sizes:

Plugs: 1" x 1" x 2.5" deep (200 cells per tray)

Deep Tree Bands (DTB): 2 3/8" square x 5" deep (49 containers per tray).

\$4.50/DTB for milkweed species/specialty species

\$2.70/DTB for grass species

\$2.90/DTB for forb species

Contact us for pricing for large contract grows.

Tray Charges and Deposits:

1" x 1" x 2.5" Plug trays have a refundable \$7.50 tray deposit

*****Hedgerow Farms, Inc. has a \$200 minimum order for all orders.**

Minimum order is before tax, shipping, handling and tray deposits

Pricing in the chart below is per species. For example you are ordering 250 of two different species (500 total) the pricing would be the price for 0-499 range for each species.

Plug pricing chart:
